

How to get a copy of the PDF for the review article from the AnnualReviews.org website.

Go to <https://annualreviews.org/journal/psych>

Make sure you are searching within the **Psychology** journal only. CSUSM does not have access to other journals on that site.

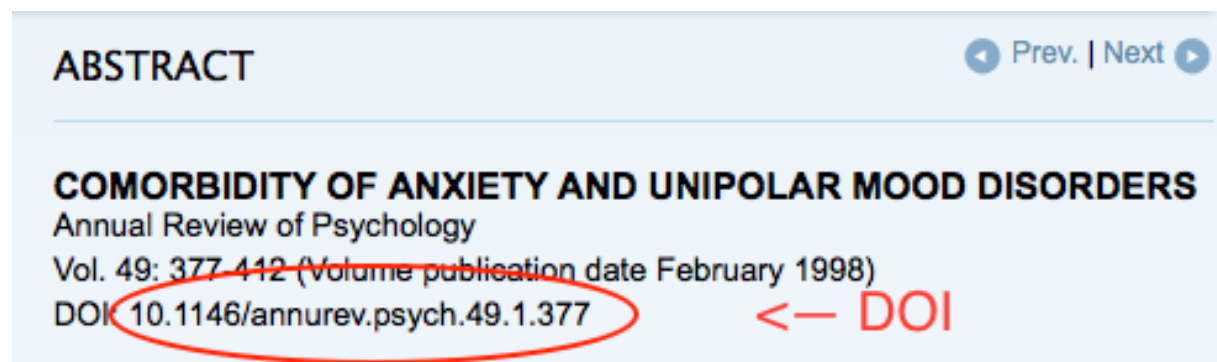

If you have done the search correctly, the journal name will say **Annual Review of Psychology**:

If you are on campus or using a lab computer, then you should be able to see the PDF immediately.
